

Seeking dancers to participate In an Honours Research Project.

My name is Soraya Tynan and I am a 4th year honours
(Psychology) student at Edith Cowan University,
and also an amateur dancer.

Are you a professional or pre-professional dancer or have the desire to dance professionally?
Have you achieved a minimum grade level of “Intermediate Foundation” (or equivalent) in at
least one style of ballet, tap or jazz?

Are you aged 18 – 35 years?

If these apply to you I would appreciate 30 minutes of your time to complete an online
questionnaire focused on your current level of expertise within the dancing world and the time
you have put into the deliberate practice activities associated with dancing.
Please click on the hyperlink below to proceed to the information letter and questionnaire.
